

VERITON

SERIES **M** 670G

SERIES **S** 670G

SERIES **L** 670G

Built for **business**, designed for **performance**

A new solid, dependable design hides the true innovation of the Veriton M670G, S670G and L670G series, a revolutionary internal design made with modular components and better cable organization for improved stability, manageability and simplified replacement of components.

Along with cutting-edge hardware solutions and superior performance, the Veriton series offers to any office environment enhanced security tools, better remote management and power saving functionalities.

acer

Acer recommends Windows Vista® Business.
